# WHAT TO EXPECT @ HOWARD VINEYARD ROSÉ & DUMPLING FESTIVAL

## GATES OPEN 10AM - 5PM

You can bring in picnic rugs, ice buckets or coolers. Security may request a bag check at the gate. Food and drinks are not allowed into the event. Please have your tickets downloaded and ready to scan in. If tickets are still available, they will be sold at the gate.

## ACCESSIBILITY

We aim to provide the most accessible experience. We do have signage to direct for special event parking, drop off zones, accessible areas for entry, accessible bathrooms and where possible, we will help reserve a table if we are contacted in advance of the event. Being a winery venue, this is an outdoor event hosted over our lawns with hills and uneven surfaces which might need some additional support to navigate.

Please reach out to us before the event to discuss any specific requirements.

## VENUE SET UP

We aim to provide sufficient tables, chairs, shade and access to food, drinks and bathroom facilities based on the number of tickets sold. We provide free bottled water upon entry that you can refill or rehydrate during the day, as well as sunscreen. Please wear appropriate footwear, and/or hats for comfort and conditions.

Ticketholders with VIP Terrace and Reserved Rosé Lawns tickets will have dedicated areas that are reserved with seating, tables and shade for all tickets sold.

General Admission ticketholders can take advantage of majority of space across the lawns. We recommend arriving early to secure your spot for the day. Our venue has bathroom facilities as well as hired bathroom facilities.

## FESTIVAL FOOD

Dumplings will be the main feature of this festival event menu for 2024, with a range of flavours to choose from. Plus some of Cookies festival favourites along with cheese platters available. Kids menu items and icecreams!

Menu will be released soon. There will be vegetarian and vegan menu alternatives available.

We have setup additional outdoor kitchens for easy ordering and service.

## FESTIVAL DRINKS

Berties Bar will be open and serving locally made MisMatch Beers, HV Wines, Lobo Ciders & Soft drinks.

Our friends from **Threefold Distilling** will be offering Gin Tastings & making their famous Cocktails.

Ofcourse... Rosé will be a feature wine of the event! Clover Society members receive member pricing.

## LIVE ENTERTAINMENT SATURDAY & SUNDAY

### THE CAST

After being a HUGE HIT at our Winter Reds Event in July, we are bringing back the awesome Adelaide band The Cast. Firecracker Chloe Castledine, along with her team bring an infectious upbeat energy that you can't help but love. They entertain. They engage. They connect. Known for their Adelaide Fringe production show "80's Ladies". This band is going to rock the event and ensure we're dancing day away!

## BLACK CHERRY EVENTS

Black Cherry Events presents DJ Ali on the decks from 10am each day and between sets of the band to keep the energy and grooving all day long! Make sure you wear your dancing shoes...

## FESTIVAL FORECAST CONDITIONS & CANCELLATION

In the case of a catastrophic fire danger day the facility will be closed and event rescheduled.

No one is to be present onsite. This rating is dictated by the CFS or other relevant South Australian Government agency.

If the Fire Danger rating is deemed extreme, buses hired for transport must stay onsite for the duration of the event.

For all other cancellation requests please see the ticketing site conditions.
