WHAT TO EXPECT @ HOWARD VINEYARD ROSÉ & DUMPLING FESTIVAL

GATES OPEN

SATURDAY 24TH JANUARY | 11AM – 7PM

SUNDAY 25TH JANUARY | 11AM – 6PM

You can bring in picnic rugs, ice buckets or coolers. Security may request a bag check at the gate. Food and drinks are not allowed into the event. Please have your tickets downloaded and ready to scan in. If tickets are still available, they will be sold at the gate.

ACCESSIBILITY

We aim to provide the most accessible experience. We do have signage to direct for special event parking, drop off zones, accessible areas for entry, accessible bathrooms and where possible, we will help reserve a table if we are contacted in advance of the event. Being a winery venue, this is an outdoor event hosted over our lawns with hills and uneven surfaces which might need some additional support to navigate.

Please reach out to us before the event to discuss any specific requirements.

Contact via event organizer in Humanitix or email: marketing@howardvineyard.com

VENUE SET UP

We aim to provide more than enough tables, chairs and shaded areas for the day based on the number of tickets sold. You can bring picnic blankets if you wish to stretch out and relax on the lawns.

There will be two outdoor kitchens to access for food, two bars for drinks and a Gin bar for cocktails and G & T's thanks to Threefold Distilling Co.

We will provide a free bottled water upon entry that you can refill at one of the rehydration stations during the day, as well as free sunscreen.

One side of the lawns will include the Main Stage with DJ and LIVE Band music all day. The other lawn will host a chilled out Acoustic Lawns area with live acoustic artists each day.

Please wear appropriate footwear, clothing and hats for comfort and weather conditions.

Ticketholders with Rosé Pavillion, Blush Terrace and Reserved Rosé Lawns tickets will have dedicated areas that are reserved with seating, tables and shade for all tickets sold.

General Admission ticketholders can take advantage of majority of space across the lawns. We recommend arriving early to secure your spot for the day. Our venue has bathroom facilities as well as hired bathroom facilities.

There will be General Admission marquees and Umbrellas, plus the big Oak trees for shade all across the lawns.

The luxe Rosé Pavillion will provide shade and surrounded by flamingo pink umbrellas to keep you comfortable all day.

Blush Terrace is our venue Terrace, under full shade of our venue adjacent the main bar and venue facilities.

Rosé Reserved lawns will be covered in Umbrellas for full shade all day.

PARKING & DROP OFF/RIDESHARE

We have event parking on-site, with accessible parking near the event entry.

Majority of the event parking is near our vineyards across paddocks and is limited. We recommend car sharing or jumping on a return bus from one of our supporting pubs - see ticketing information for more, or using ride-share UBER. With UBER we recommend to pre-book your collection in advance so you are not left waiting outside the venue after the gates close.

There will be a drop off zone next to the main entry.

For any access needs please reach out to us before the event so we can advise you of the best parking, easy access and even make a staff member available to assist you into the event.

Two main bars will be open and serving locally made MisMatch Beers, Howard Vineyard Wines, Lobo Ciders & Soft drinks.

Our friends from Threefold Distilling will be hosting a Gin Bar with G & T's and shaking their famous Cocktails. Ofcourse... Rosé will be a feature wine of the event! Clover Society members receive member pricing.

FESTIVAL FORECAST CONDITIONS & CANCELLATION

In the case of a catastrophic fire danger day the facility will be closed and event rescheduled. No one is to be present onsite. This rating is dictated by the CFS or other relevant South Australian Government agency.

If the Fire Danger rating is deemed extreme, buses hired for transport must stay onsite for the duration of the event.

This is an all weather event, and will be held outside. We will not be issuing refunds on account of weather conditions. The only exception to this will be based on advice issued from the CFS with significant fire risk.

By purchasing a ticket to this event, you acknowledge and accept this.

No refunds will be accepted or processed within 14 days of the event.

KIDS ZONE

On Sunday we encourage family day fun, and all tickets include free access to the Kids Zone. Hosted activities by the team of professionals from Calm Play 4 Kids will have the kids inspired and busy four hours getting creative and playing.

Local talented Face Paint and glitter artists will be creating colourful fun at the requests of the kids. All children must be accompanied by an adult and kept supervised while in the Kids Zone... but don't worry... we have cleverly set this up next to the shaded acoustic lawns... so parents - kick back and enjoy live tunes, bring your wine, and watch the kids play while you relax and unwind yourself.

Please note the Kids Zone is open Sunday 11.30am - 3pm.
